INSTRUCTIONS FOR FOLIAR APPLICATION

APPLICATION

RATE

To Apply

Mix 2 ounces per gallon of water. Thoroughly spray tops and bottoms of leaves until water runs off. Repeat every 7-10 days.

When used as directed this product does not supply all nutrients required by plants and is to supplement a soil fertility program based on soil tests.

Not for use in organic crop and organic food production.

Warranty: Please review and follow the instructions for the intended use of the product as indicated on the label. Use contrary to label instructions may cause adverse consequences. Since Seller cannot assure that the product will be used consistent with the instructions provided, Seller makes no warranty, express or implied concerning the use of this product
